JRCS 2020 WALK-A-THON

Hello!
I am raising money for my school, Juniper Ridge Community School, in Grand Junction, CO. My school is a charter public school and offers an alternative education focusing on academics through the arts using a Waldorf-inspired Curriculum. Please consider supporting me in walking for my school, my education, and for offering another educational choice for the Grand Junction Community.

Donations can be made by check payable to Juniper Ridge Community School or made online at:
https://jrcs.walkstarter.org/
My personal fundraising page is: _____
