Hello!

We are excited to announce that the Extended Hours Program will be your new Before and After School Program beginning August 15, 2018. We are so excited to be a part of the community at Juniper Ridge!

We have been offering our program throughout the district for 23 years and pride ourselves on running a quality program that keeps your child safe, offers homework time and fun activities before and after school. We are licensed by the State of Colorado and our staff have the qualifications necessary to work in a licensed School Age program.

Our registration is 100% online. All our pricing information and hours of operation are listed on our website. Registration for the 2018-19 school year opens June 19th. We take registrations throughout the school year provided we have room. We accept CCCAP assistance through the Mesa County Workforce Center. You must have a complete registration prior to August 3rd to secure care the first week of school. All registrations must have immunization records (an exempt form if you do not immunize), medical plans (if necessary) and the first month calendar (August). We charge a \$40.00 registration fee per family that must be paid to complete your registration. We are a prepaid program with several payment options.

We send monthly statements for your records and an end of year tax statement. We communicate important reminders to our families via email and our Facebook page; <https://www.facebook.com/groups/ExtendedHours/>.

We offer full day care on all teacher workdays and school breaks at four central locations throughout the district. You must reserve these days in advance and those reservation sheets are available online for August/September full days and will be available with your Extended Hours Staff the remainder of the year. The first non-school day is August 27th, to secure a spot for your child for that full day the reservation form is due in our main office by August 10th.

Monthly anticipated attendance calendars are also online. These calendars are required so that we know when to expect your child. If your child is sick and you call in and cancel you will not be charged. It is for your child's safety that we know when to expect your child. It helps us have proper staffing and supplies for your child.

If you have any questions regarding our program please do not hesitate to call our main office, 970-241-3603. We would love to answer any questions you may have about our program.

Sincerely,

Sheryl Fisher
