Parent Volunteers

We are requiring all of our Parent Volunteers who will be volunteering in the classroom, on campus, or as a chaperone for a field trip, but not driving other students, to complete a background check and submit to our office prior to the day of the volunteering.

Background checks can be obtained at the Mesa County Sheriff's office. Requests for background checks can be made at any time in person at the Records Counter. Records requires that you present a government issued picture ID and fill out a request form with the information you desire. The charge is \$2, paid in cash. These requests are generally processed while you wait.

Records Division hours open to the public are Monday through Friday, 9am to 4pm, only.
